

## Remain independent at home with Ireland's most affordable home support service

Typically, an older householder with a room to spare will be carefully matched with a Garda vetted accommodation seeker who will provide an agreed amount of support (10 hours per week), plus an overnight presence in case of emergencies and for peace of mind in exchange for their accommodation. The support provided by the sharer might include help with household chores, shopping, meal preparation, companionship and an overnight presence for security.

THE HomeShare is Ireland's only Homeshare enterprise which offers a fully personalised service tailored to your own specific requirements. The monthly fee affords your ongoing monitoring and support to ensure safeguarding for all.

### THE HomeShare service is available for the following fee:

- **Once off placement fee of €350** - to be paid once a sharer moves in
- **€195 support fee per month** - to commence after the initial trial period of two weeks.

### Homesharing has an abundance of benefits

- Minimises loneliness and social isolation
- Improvement in mental and physical health, diet and mobility
