Testimonials

From a Homeowner:

"THE HomeShare came recommended to us by a neighbour and has exceeded our expectations. The placement with my father has been highly successful and is ending after 12 months (April 2017) only as his needs have changed. L has proved a sensitive, kind and reassuring companion who has fitted in well with the whole family. THE HomeShare at all times have provided very helpful support and advice and we would strongly recommend their service."

Karen, daughter, Ballsbridge

"I recommend them strongly and without hesitation, as does my mother whose life has benefitted most from their skills."

Simon, son. Killiney
