Per Cent for Art Commission | Gaelscoil Chluain Meala, Tipperary

Gaelscoil Chluain Meala is situated in the heart of Irishtown Clonmel. The building, which our school has occupied since 1994 also served as a grammar school. Built in the 1830s, it is regarded as one of the oldest school buildings in the country. It was built initially as a school to teach English to the Irish and now it is a Gaelscoil where Irish is the language of instruction and central to everyday life. Our new facilities incorporate the new and old buildings. These are joined by a link corridor over the basement area. Our new school includes 16 classrooms, learning support & resource rooms, library, play areas, gardens, two outdoor learning spaces, GP room and playground.

Vision / Fís:

The theme we have chosen for our project is 'Oidhreacht'. 'Oidhreacht' translates as heritage and also means legacy, two sides of the same coin. Our building is so rich in history and heritage and has a new modern extension. The new school is the realisation of many years of dreams and aspirations and hard work. We would like the artwork to reflect that heritage and consider the legacy we are leaving to future generations of our hopes and dreams for the future of the Irish language in Clonmel.

Budget: The total budget for this commission is €36,000 inclusive of all costs, expenses, VAT, insurance, and other charges.

Deadline: 10 June, 2pm

INSIDE | OUT

INSIDE/OUT is a project led by South Tipperary Arts Centre (STAC), as part of *Faoin Spéir- In the Open Clonmel* funded by the Arts Council of Ireland and in partnership with Tipperary County Council. INSIDE/OUT proposes to make the town of Clonmel an outdoor gallery, including mural/street art and large scale 2D art installations on buildings and walls around the town.

This installation of works by 7 artists, based in or originally from Tipperary, was selected through an Open Call and represents Phase 2 of INSIDE/OUT. This phase sees the artists' work presented on a large scale and installed at two locations around the town, Davis Rd. and Market St., bringing colour and life to the streets. A downloadable map is available.

Phase 3 of INSIDE/OUT will see artist Joe Caslin create a new temporary mural in the coming weeks which will be central to the exhibition and will also respond to the overarching theme of *Faoin Spéir- In the Open Clonmel* ; 'Coming Out To Play'. This will be the commission as part of this project, the first being 'Tread Softly' by Canvaz which was installed last Autumn as Phase 1 of this project.

Joe Caslin is an Irish street artist, art teacher and activist. Best known for his beautifully rendered pencil drawings, which manifest as towering pieces of street art. His highly accessible work engages directly with the social issues of modern Ireland, on an unavoidable scale. Caslin confronts the subjects of suicide, drug addiction, economic marginalisation, marriage equality, stigma in mental health, direct provision, institutional power, inclusion, consent and most recently, the effects of the Covid19 pandemic on young people. The monochrome drawings Caslin creates hold a mirror up to the kind of society that we are, whilst asking us individually what kind of society we want to be a part of.

Inside | Out - Open Call Selected Artists

The calendar is easy to use and organisers can register their events on the website. Cultural, Community and Sporting events are categorised under a range of headings and users may search by date or type of event. Categories include: Arts; Children's; Family; Comedy; Exhibitions; Fairs; Shows; Markets; Festival; Film; Heritage; Historical; Lectures; Readings; Music; Theatre, Sports & Outdoors.
