Notices of Motion

5.1 Cllr. Tony Black (Ref. ID 2541)

That this council would install 3 bins in Canon Hayes Park, Tipperary Town. There used to be public bins in the estate but they were recently removed and never replaced. I would ask that the bins be provided where the old one was by the wall of the Blossomfield, on the green area at the side of Number 89 and on the green area at the side of Number 80. The estate is busy and is also popular for residents of the West End walking their dogs. The area needs public bins.

5.2 Cllr. Michael Fitzgerald (Ref. 2542)

That this Council request Irish Water to restore the Galtee Supply Scheme to all areas that it served before being transferred to the supplementary boreholes. This change has caused huge damage to the quality of

the supply.

5.3 Cllr. Michael Fitzgerald (Ref. 2543)

That this Municipal District fully support the application of Circle of Friends Cancer Support Centre in their application for S39 status which would enable the centre to continue the very valuable work they do in our community.

5.4 Cllr. Michael Fitzgerald (Ref. 2544)

That new piping be installed at Mountwilliam, Kilfeakle to prevent road flooding. Local farmers have cleaned drains on their properties to help in any way but the pipe under the road is not big enough to take the water.
