Notices of Motion

7.1 Councillor Michael Murphy (Ref ID 2776)

That the Council would lay a new small section of public footpath at the entrance to 44 Wheatfields having regard to it's extremely poor condition and the numerous trip hazards.

7.2 Councillor Michael Murphy (Ref ID 2777)

That the Council would carry out an assessment of the bad bend at the top of hill at Mylerstown before you descend towards the old graveyard at Powerstown. Additional signage and the cutting back of the ditches would significantly improve sightlines for motorists, currently very dangerous for motorists.

7.3 Councillor Siobhán Ambrose (Ref ID 2786)

That under this Council's annual roads programme that consideration is given for the re-surfacing of sections of Glenview Close.

7.4 Councillor Siobhán Ambrose (Ref ID 2787)

That under this Council's annual roads programme that consideration is given for the re-surfacing of

sections of Highfield Grove

7.5 Councillor Siobhán Ambrose (Ref ID 2788)

That in the interest of safety for pedestrians and as a means of reducing the speed of traffic passing through Lisronagh Village, I am asking that this council investigates the possibility of upgrading the pedestrian crossing in Lisronagh Village with a raised platform supported by additional traffic calming measures.

7.6 Councillor Michael Murphy (Ref ID 2789)

That the Council would carry out improvement works on the laneway within the Fairfields Estate to the rear of houses numbers 55 to 59 having regard to it's very poor condition.
