TCC/6/2025	04/02/2025	Member of public	I request records on what if any software system your various departments use to track cases/representations logged by counsellors. If there is a central cast tracing system I would like the name of that system. Case tracking software can come in many forms and I am looking to find out which departments have case tracking systems and which do not. If they don't, a brief description of how they track cases would help. An example response could be Department ABC NO We use Emails and documents on shared drives Department DEF YES Microsoft SharePoint based system. Department GHI YES Salesforce Case Tracking System Department JKL NO We have a spreadsheet. Department MNO YES We developed an in-house lotus notes system. etc	18/02/2025	Granted
