Notices of Motion

7.1 Councillor Tom Acheson & Councillor John Fitzgerald (Ref ID 2976)

That the Council would install speed ramps and examine other measures to reduce speed within the Dromard Estate to prevent the occurrence of a serious accident.

7.2 Councillor Siobhán Ambrose (Ref ID 2980)

In the interest of safety, I am asking that the Council survey the junction at the Ormonde Stores in Kilsheelan. This follows numerous representations to me from residents in the area following a series of recent accidents at this junction.

7.3 Councillor Siobhán Ambrose (Ref ID 2981)

I am asking that this Council again attempts to contact the owner of the wall around St. Patrick's Well with a view to both carrying out immediate structural works to this wall and in tandem ascertaining if some of the adjoining land could be acquired around the lake to facilitate a new access which would enable persons with a disability the opportunity of visiting St. Patrick's Well (Ref my previous motions on this issue).

7.4 Councillor Siobhán Ambrose (Ref ID 2982)

I am asking that this Council seeks alternative funding under either the Climate Action Fund or a similar type of fund to carry out essential re-surfacing and other remedial works on the mountain road leading up to the Holy Year Cross in Killusty (Ref my previous motions on this issue).
