Notices of Motion

8.1 Councillor Pat English (Ref ID 2989)

That Clonmel Borough District upgrade the 1798 Monument outside the Town Hall. The existing monument needs urgent maintenance as it is under the threat of collapsing due to its poor condition. The monument is a protected structure and should be preserved for future generations.

8.2 Councillor Pat English (Ref ID 2990)

That Clonmel Borough District in conjunction with the T.I.I. look at providing a Bus Shelter at a number of bus stops on the Clonmel Bus routes.

8.3 Councillor Pat English (Ref ID 2991)

That Clonmel Borough District clean the laneway to the side of 55 Fairfields, Clonmel, as it is severely overgrown and littered with rubbish.

8.4 Councillor Siobhán Ambrose (Ref ID 2992)

In the interest of safety, I am asking that consideration is given for the insertion of traffic calming measures over the Old Bridge between Cascade Park and the Centra Shop.

8.5 Councillor Siobhán Ambrose (Ref ID 2993)

What is the latest update regarding my previous notice of motion requesting that the Council carry out a survey in conjunction with members of the arts community around Clonmel with the purpose of identifying all of the existing public and private performance spaces around Clonmel? The findings of this report will support the Council in addressing the current gaps that exist in this area.

8.6 Councillor Siobhán Ambrose (Ref ID 2994)

What is the latest update regarding the continuation of re-surfacing works on the Glenconnor Road as sections of this road are in very poor condition. I am also asking that in the interest of safety that traffic calming measures on sections of this road are also included as part of these works given the difficulty that some residents are experiencing entering and exiting their homes on this road.
