That this municipal district request the HSE to do a report on the current and proposed use of unoccupied Dispensary Buildings and public health facilities in the Nenagh Municipal area. Some of these health care facilities are abandoned and poorly maintained in our towns and villages. We need to consult with the planning department to formulate a policy on public owned buildings. Some of these buildings are zoned within the County Development Plan as public and amenity or other zoning matrixes which precludes them from being considered for much needed residential development.

15. To note Delegated Employee Orders for the Nenagh Municipal District.
16. To consider items of Correspondence.
17. Votes of Sympathy/Congratulations.
