

FOI File No	Date Received	Requester Category	Brief Description of Request	Date decision is	Decision
FOI/67/2025	04/07/2025	Member of public	<p>I am seeking access to any and all records held by you in relation to the following individuals and corporate entities:</p> <ul style="list-style-type: none"> •Supermac's Ireland Limited •Pat McDonagh •Una McDonagh •Pat & Una McDonagh •Macs Place Limited •Softdrive Limited •So Hotels •Funworld Ireland Limited •Atlantic Troy Limited •Connellan & Associates Planning Consultants <p>Specifically, I request access to the following records:</p> <ol style="list-style-type: none"> 1.Planning Enforcement Notices 2.Planning Warning Letters 3.Any warnings, notices, or prosecutions issued under the Litter Pollution Act 1997 4. Any internal or external correspondence, reports, photographs, file notes, or communications relating to alleged breaches of planning legislation or litter regulations involving any of the above parties <p>Please include all relevant records from 1 January 2015 to the present, and include records in any form, including but not limited to emails, letters, memoranda, photographs, and file notes, whether held electronically or in physical format.</p>		
FOI/68/2025	07/07/2025	Solicitor on behalf of member of the public	<ol style="list-style-type: none"> 1) Details of next firefighter recruitment -documents/ brochures relating to the most recent fire fighter recruitment 2) Hiring standard and any documentation of same -policy documents regarding testing (physical testing , equipment use testing etc), interview, psychometric during the 3) Origins of hiring standard and any documentation –the documents on which the hiring process was founded. If they created a hiring test, then it didn'tcome from thin air. There was presumably logic attached to the origins of the hiring process. This would surely be documented. 4) Statistics i.e. passing while tests applications pass/fail –Statistics of applicants by age / gender / race, statics re fails and what elements of the hiring test they failed by age / gender race, Statistics re candidates offered jobs by age / gender race 5) Reports on women / LGBTQI including statistic, policies –if there are no reports touching on women / LGBTQI or policies regarding Diversity Equality and Inclusion – please confirm same. 6) Detailed Firefighter Budget 2020 – 2023 7) Equipment procurement stands for women and men –when equipment is purchased for the women / men , there is surely a procurement standard. That's what I'm seeking 8) Any HR policy that applies to firefighters including maternity 9) Details of gender neutral facilities – shower / toilet / changing –Floor plans of all fire stations detailing the bathroom / showering / changing facilities will suffice 10) Copies of memos / emails / reports re DEI policy for firefighters 11) Firefighter payroll by general role –It is impossible to know how much fire fighters earn without this information. They are not on basic salary. 12) Any report i.e. Tipperary Firefighters 13) Any efforts to increase number of female firefighters -some fire services have mentioned efforts to increase the number of women who respond to advertisement and some claim that they have made particular efforts to attract female applicants. Is it possible that Tipperary is one such Fire Service? Is there evidence / a report / details of an advertising campaign / a policy document that would support such a claim? 		

FOI/69/2025	07/07/2025	Member of public	FOI Request – Pre-Planning Consultation Ref. PP6058 (related to Planning Application 2560371) I request access to all records, notes, and correspondence relating to Pre-Planning Consultation Reference PP6058, which may be connected to or have influenced the assessment of Planning Application Ref. 2560371. Specifically, I seek: 1. Any written records of the pre-planning meeting (PP6058), including minutes, file notes, correspondence, or internal memos; 2. Any drawings, reports, maps, or submissions provided by the applicant or their agents as part of that pre-planning process; 3. Any records of advice given by the planning authority to the applicant in relation to PP6058; 4. Any references to PP6058 in internal communications, including those of the assigned planner for application 2560371; 5. Any documents showing how, if at all, PP6058 influenced the planner's report or recommendation on 2560371. I am making this request as a concerned third party to ensure transparency and accountability in the planning process, and to better understand whether and how non-public consultation may have informed the planning decision.	29/07/2025	Granted
FOI/70/2025	07/07/2025	Member of public	FOI Request – District Engineer Report related to Planning Application 2560371 I request access to all records, notes, and correspondence relating to the District Engineer's Report, which may be connected to or have influenced the assessment of Planning Application Ref. 2560371. Specifically, I seek: 1. Written records, including minutes, file notes, correspondence, or internal memos; 2. Any drawings, reports, maps, or submissions provided by the engineer relating to application 2560371; 3. Any records of advice given by the engineer relating to application 2560371; 4. Any references in internal communications, including those of the assigned engineer for application 2560371; 5. Any documents showing how, if at all, the engineer's report influenced the planner's report or recommendation on 2560371. I am making this request as a concerned third party to ensure transparency and accountability in the planning process, and to better understand whether and how the engineer's report may have influenced the planning decision.	29/07/2025	Refused
FOI/73/2025	11/07/2025	Solicitor on behalf of member of the public	All documentation including, installation records, engineering report and correspondence, all notes, complaints, notifications of accidents, records, memorandum reports, correspondence or any other documents of whatsoever nature to include electronic documents relation to the traffic calming measures and the vertical deflections/ruble strips on the R665 Road into Ardfinnan Village from the direction of Clogheen.	29/07/2025	Granted
FOI/78/2025	16/07/2025	Member of public	Following up on your last e mail I did contact Clare County Council regarding the matter of the EISR , Environmental issue. I then checked with them regarding the planning situation but to no avail. The development is in County Tipperary so I guess I must ask you to check the planning situation under a FOI .	28/07/2025	Withdrawn and/or dealt outside of FOI
FOI/80/2025	21/07/2025	Member of public	1. The licence conditions regarding the volume and quality of effluent that can be discharged, as well as other requirements like ongoing monitoring. 2. Please supply test results since 2019 that include pH, COD, suspended solids, and ammonia levels and what are the permissible limits?		

			<p>I write on behalf of the Main Street Business Initiative (MBI), located at Railway House, Cregg Road, Carrick-on-Suir, Co. Tipperary, E32 AK24, to formally request access to information pursuant to the provisions of the Freedom of Information Act 2014, the Local Government Act 2001, and all other relevant statutory legislation and directives governing transparency, public consultation, and good governance in planning and development matters.</p> <p>This correspondence is marked Strictly Private and Confidential and is issued on a Without Prejudice basis.</p> <p>The MBI respectfully requests the following information in relation to the public consultation survey conducted regarding the future development potential of the Goldcrop site in Carrick-on-Suir:</p> <p>1. Survey Data and ResultsA complete and unredacted copy of the survey results, including all responses (online and hard copy), both positive and negative.A detailed breakdown of the 1,976 online responses and 84 hard copy submissions, including any demographic or geographic data collected.</p> <p>2. Survey ContentA copy of the survey questionnaire, including all questions posed to respondents.Any explanatory notes or guidance provided to respondents during the survey process.</p> <p>3. Collation and Analysis MethodologyA comprehensive explanation of the methodology used to collate, analyze, and interpret the survey responses.Details of any weighting or prioritization applied to specific responses or categories of responses.</p> <p>4. Consultant EngagementCopies of any instructions, terms of reference, or briefs provided to Reddy Architecture + Urbanism in relation to the collation and analysis of survey data and the preparation of the draft concept design.</p> <p>5. Transparency and GovernanceCopies of any correspondence, minutes of meetings, or records of discussions between Tipperary County Council and any third parties regarding the survey results.Any documentation or precedent relied upon by the Council in determining the timing and manner of publishing the survey results.</p> <p>6. Legal and Statutory ComplianceConfirmation of compliance with all relevant provisions of the Planning and Development Act 2000 (as amended), the Local Government Act 2001, and applicable EU directives on public consultation and transparency, particularly Directive 2001/42/EC on Strategic Environmental Assessment (SEA) and Directive 2011/92/EU on Environmental Impact Assessment (EIA).Copies of any legal advice or guidance received by the Council in relation to the publication of the survey results and the preparation of the draft concept design.</p> <p>7. Verification of Survey DataA detailed explanation of how the Council has verified and substantiated the accuracy of the survey responses, including measures taken to ensure the integrity of the data collection process.</p> <p>8. Precedent and Case Law</p> <p>We draw your attention to High Court case 2020_IECA_36, which underscores the critical importance of transparency and procedural fairness in public consultation processes. Please provide any relevant documentation or legal precedent relied upon by the Council in this regard.</p> <p>The MBI emphasizes the paramount importance of transparency, inclusivity, and adherence to best practices in governance and planning. The survey results are a cornerstone of the public consultation process, encapsulating the views, priorities, and concerns of the local community. It is imperative that these results are made publicly available in advance of the finalization of the draft concept design to ensure that the process is transparent, equitable, and reflective of the community's needs.</p> <p>We further note that the Council's decision to withhold the survey results until the draft concept design is published raises serious concerns regarding procedural fairness and compliance with statutory obligations.</p>
