### **6.1 Notice of Motion in the name of Councillor J Ryan – Id 3110**

I am calling on the relevant bodies to come together and construct a footpath out to Drish Bridge on the Thurles to Two Mile Borris Road.

Reply to NOM

We are not guided to consider the installation of a new pedestrian footpath from the existing 50kph zone on the N75 outside Thurles for a distance of approx. 770m for reasons as follows:-

This is a National Route (N75), and the speed limit is 100kph.

There are no urban settlements within or connecting to the 770m catchment which may warrant relocation of the 50kph zone.

Provision of footpaths outside the 50kph is generally not allowed in the County and there must be clear extenuating circumstances for the consideration of same. There are no such circumstances for consideration in this case.
