TCC/79/2026	23/04/2026	Member of public	BinDay.ie is an Irish consumer app used by residents of County Tipperary — Clonmel, Thurles, Nenagh, Cashel, Roscrea — to track their bin collection days. I request records held by Tipperary County Council covering: 1. The current waste collection contractor(s) operating in the council's administrative area for household (domestic) bin collection. 2. Any zone maps subdividing County Tipperary into collection zones, including the eircode ranges or route identifiers assigned to each zone. 3. Week-1-vs-week-2 (or equivalent) collection day templates for each zone, showing which bin type is collected on which day. 4. The council's policy document and published schedule adjustments for bank holidays, Christmas, and Easter where collection days shift. 5. Any bin collection calendars held in machine-readable format (CSV, ICS, JSON, XLSX, or searchable PDF). Under section 13, I would be grateful for a decision within four weeks. My preferred format is a digital copy by email.

TCC/86/2026	30/04/2026	Member of public	<p>I am writing to formally request information regarding the telecommunications mast located near my home at Cattinganstown/Graystown, Killenaule. Planning application 041177 refers.</p> <p>Specifically, I would like to request:</p> <ol style="list-style-type: none"> 1. Copies of the most recent radiofrequency (RF) emissions test results for this mast. 2. Details of when the site was last independently assessed for compliance with ICNIRP public exposure guidelines. 3. Confirmation of the current planning status of this installation. <p>It is my understanding from the planning permission decision document that planning permission for this structure expired in 2008. There has been construction work being undertaken on the site in the last few months and I would be grateful if you could clarify:</p> <ul style="list-style-type: none"> - Whether the mast is currently operating under valid planning permission or retention permission. - If any extensions, renewals, or regularisation applications have been granted since the original expiry date. - Whether enforcement proceedings have been considered or undertaken in relation to this site. <p>Given the mast's close proximity to my residence, I believe it is reasonable to seek transparency regarding both its regulatory compliance and emissions levels.</p>
